HELP WANTED

Senior Technologist – EG-05

Environment and Climate Change Canada (ECCC) is looking for an experienced, independent Senior Technologist in Whitehorse that is interested in operating and maintaining an ECCC owned facility. Our building operations staff work a 37.5 hour week. As a member of the Public Service, benefits include a pension plan, medical/dental benefits and leave provisions (vacation, sick leave, family related leave and parental leave).

The incumbent will provide building operation and maintenance services to two buildings totaling 1,500 m2 and will complete preventative maintenance work requests for the buildings along with addressing tenant service requests. They will manage building operation and maintenance contracts, oversee on-site contractors, look for efficiencies and improvements in current operation strategies, complete quality assurance reviews and ensure the efficient use of resources among other daily challenges. They will provide assistance to capital project managers.
