TIPS ON HOW TO WRITE A CLASSIFIED AD THAT SELLS

1. Use a **KEYWORD**. This immediately tells the reader exactly what it is you have to sell.
2. Make your description **CLEAR** and **FACTUAL**. State the year, make, model, color, size and tell what condition the item is. Also state the special features.
3. State the **PRICE**. Successful Classified advertisers have learned that the price in an ad helps increase the chances for results.
4. If there's a genuine sense of **URGENCY**, say so. The words, "We're Moving" or "Must Sell Fast" suggests that readers respond immediately.
5. Include your **PHONE NUMBER**, Classifieds get results fast and often generate immediate sales. If you cannot be available to answer the phone at all times, be sure to specify special calling times such as "after 6PM" or "before 11AM".

If you need assistance ask one of our friendly AD-VISORS to help you word your ad.
