1962 News from the Whitehorse Star

City Man Dies In Cabin Fire

Olav Danielson, 61, died in a motel cabin fire some time yesterday. Apparently Mr. Danielson had been smoking in bed when he fell asleep. His bedding caught fire and he died from suffocation.

Little damage was done to the cabin apart from smoke stains as the limited amount of oxygen kept down the flames. It is thought the fire may have smouldered from midnight until morning. It was discovered by a Tourists' Services employee who spotted the brown, smoke covered window glass.

The fire department was summoned and the dead man was found inside.

Mr. Danielson was not employed at the time of his death. He had been working for Highway Maintenance Established at Destruction Bay.

Born April 21, 1901, he is believed to be survived by one sister, Mrs. Gurd Fotveit, of Setisdalen, Norway.

Coroner Dr. W. R. Buchan indicated no inquest would be held.

TIPS ON HOW TO WRITE A CLASSIFIED AD THAT SELLS

1. Use a **KEYWORD**. This immediately tells the reader exactly what it is you have to sell.
2. Make your description **CLEAR** and **FACTUAL**. State the year, make, model, color, size and tell what condition the item is. Also state the special features.
3. State the **PRICE**. Successful Classified advertisers have learned that the price in an ad helps increase the chances for results.
4. If there's a genuine sense of **URGENCY**, say so. The words, "We're Moving" or "Must Sell Fast" suggests that readers respond immediately.
5. Include your **PHONE NUMBER**, Classifieds get results fast and often generate immediate sales. If you cannot be available to answer the phone at all times, be sure to specify special calling times such as "after 6PM" or "before 11AM".

If you need assistance ask one of our friendly **AD-VISORS** to help you word your ad.
