## HELP WANTED

**Contract Position - 1 Year Term**  
 40,000 based on 20 hrs/wk

Reporting to the Executive Director, this position will research regional, national and global responsible resource industry legislation, regulations and issues and will develop, analyze and recommend policies. The incumbent will ensure all issues are considered in the development of policies and recommended legislative improvements both internal to the organization and externally to government agencies.

### Qualifications

The ideal candidate will possess 3-5 years experience working with a Non-Governmental Agency, preferably a Chamber of Commerce or industry organization of similar nature, and/or will possess a degree in either Political Science, Communications, Business or a combination thereof.

The ideal candidate will possess knowledge of policy development methods and techniques, as well as strong research principles and be able to apply such knowledge in practice. A knowledge of the responsible resource industry in Yukon, and the relevant legislation, regulations and policies which govern such processes will be given priority consideration.

We encourage those interested to please forward your resume and/or proposal by **October 15, 2019** to the attention of:

Samson Hartland, Executive Director
