Canyon City Construction LP: Operations-Coordinator (aka "Oops" Coordinator...)

We are looking for a responsible Operations Coordinator to help us administer and organize all types of projects, from simple activities to more complex plans.

Operations Coordinator responsibilities include working closely with our General Manager to prepare comprehensive action plans, including resources, timeframes and budgets for projects. You will perform various coordinating tasks like schedule and risk management along with administrative duties like maintaining project documentation and handling financial queries. To succeed, this requires excellent time management and communication skills, as you'll collaborate with clients and internal teams to deliver results on deadlines. You will be the key link between site-based operations and the office. As the Operations Coordinator you will ensure that all projects are completed on time, within budget and meet high quality standards.

The right candidate will clearly understand and be strongly motivated by the prospect of how to develop value propositions within the wide range of exciting and unique opportunities available to Yukon's First Nations Development and Construction Corporations.

The right candidate will have:

- Minimum of 7 years proven work experience as a Project Coordinator or similar role. Solid organizational skills, including multitasking and time-management. Strong client-facing and teamwork skills. Familiarity with risk management and quality assurance control.
- Strong working knowledge of Microsoft Project or similar. BSc in Business Administration or Engineering/Construction Degree. Extensive experience in a Yukon construction business will be considered an asset.

Full Time & Part Time options may be tailored for the right candidate. Based in Whitehorse Will include field and office-based duties

Resumes to be dropped of at 121A Platinum Road or emailed to office@canyoncitylp.com
