MADE IT - Yukoner Martyn Williams, right, completed the international North Pole Expedition in six weeks along with Mike McDowell and brothers Sju and Simen Modre, at left.

CITY RESIDENT MAKES POLAR HISTORY

Whitehorse resident Martyn Williams has become the first Canadian to reach both poles of the earth using only skis and a small dog team.

Williams, 44 and his three companions on the International north Pole Expedition were picked up Saturday after six grueling weeks of fighting severe temperatures, driving winds, and tough, unpredictable sea ice.

All four members of the group are South Pole veterans. Australian Mike McDowell 44, accompanied Williams to the South Pole in 1990. Norwegian brothers Sjur, 27, and Simen Modre, 29, traveled to the South Pole in 1991.

The group is now resting at the advance base on Ellesmere Island before they return tonight to Resolute Bay, N.W.T.

Tough terrain slowed progress for the first few weeks. However, the expedition traveled more than 25 kilometres a day in the last couple of weeks to make up for last time.

They had to reach the pole by May 12. After that date, warming temperatures cause fog and broken ice, which makes air pick-up impossible.

The trip has been much tougher than expected, Pangman said. Temperatures have averaged about -35° and driving winds have caused frostbite. A team of eight dogs has been more of a hindrance than a help. Pangman said.

1969 News from the Whitehorse Star

LIQUOR VOTE SET FOR JUNE 23

All Yukon residents, 19 years and up, will be asked to answer this question on Monday, June 23:

"Are you in favour of lowering the legal age for the consumption of alcoholic beverages from 21 years to 19 years of age?"

Commissioner James Smith announced the date and terms of the plebiscite this morning. It is believed to be the first time in Canada that underage voters will have had an opportunity to express their opinions on a question which directly affected them.

There will be no enumeration of voters, and no voters list compiled for the plebiscite, which will be conducted by Federal Returning Officer Harold J. MacDonald of Whitehorse. Instead, each voter will swear an affidavit that they are of the full age of 19 and they were ordinarily resident in the Yukon Territory on March 20, 1969. This was the date on which Yukon Territorial Council approved the idea of the plebiscite being held.
