The **FIRST WHITEHORSE BIG BAND**

**HOME GROWN BAND**

For the first time in the history of Whitehorse, music for her annual celebration will be furnished this year entirely by home talent, our own silver cornet band of eighteen pieces.

While R. Unsworth is really the father of the Whitehorse Band, he having raised the money with which the first instruments were purchased a year or more ago, it was not until J.P. Whitney stepped forward from darkness into light and was persuaded to "work up his lip" and take the leadership, that the band was ever in reality an organization.

**\$2 BILLION PROJECT TO FLOOD CITY**

Details of plans of an Eastern Canadian industrial empire to change the entire map north of the B.C. border:

Included in the plans of the giant Frobisher Ltd., for the \$2 billion enterprise - which would dwarf the huge Kitimat and Ungava development - were:

Mammoth dam on Lac Laberge and creation of a lake, 100 to 200 feet deep and covering thousands of square miles.

Moving of the entire town of Whitehorse with its huge Orient route air base.

Relocation of the towns of Carcross and Champagne. (All three centres would be flooded by the artificial lake.)

Changing the route of warborn Alaska highway. Rerouting of the White Pass and Yukon Railway.

Construction of the three big hydro plants in the vicinity of Kluane Chilkoote Pass and Teslin. Estimated out - 500,000,000 horsepower - makes this the largest integrated power yield in the world.

Creation of a deepsea port on Taku River or north of Haines, Alaska, in Yukon territory.

The Whitehorse Star, March 13, 1953

**DAWSON CRIMINAL RE-CAPTURED AFTER A YEAR'S HUNT**

SWAN HARRISON, AN INSANE PATIENT ARRESTED IN THE NORTHWEST TERRITORIES

Swan Harrison, who escaped from the Northwest Mounted police at Selkirk on the Yukon a year ago, has just been captured by members of the same efficient force at a point thousands of miles distant. Harrison has been taken a prisoner in the Northwest territories.

A telegram has been received by Major Wood at Dawson telling him of the capture of Harrison.

When Harrison escaped at Selkirk he was being taken out of the Yukon to New Westminster, B.C. as an insane patient. He had been arrested and convicted at Dawson some time before for stealing, had become insane while in prison and was transferred to the lunatic ward.

While the steamer was lying at Selkirk Harrison made a leap from the boat, and landing partly in the water walked ashore, scrambled away up the bank and ran into the woods before he could be overtaken. He and a number of other lunatics were in charge of Corpl. Stewart on the trip up the river. A short search was made for Harrison, but he could not be found, and the boat proceeded with the remainder of the party.

From traces obtained it is believed he went down the Yukon river and escaped by way of St. Michael or Nome. He is said to be from the States, but how it is that he should wander over into the Northwest Territories is scarcely understood. It was thought at first from the point at which the fellow turned up he must have taken a chance at the famous Edmonton trail and gotten through, but the idea is scarcely credited.
